

ERIC JOHN A. PEÑA

+63 947 430 0125 | eric.john.pena@gmail.com | github.com/EricJohnPena | <https://ericjohnpena.github.io/portfolio/> | Cavite, Philippines

TECHNICAL SKILLS

- **Programming Languages:** Java, Python, JavaScript, PHP, C#
- **Frameworks & Technologies:** Spring Boot, Spring Data JPA, Thymeleaf, React, Tailwind CSS, JavaFX, REST APIs, Bootstrap
- **Databases:** PostgreSQL, MySQL, SQLite
- **Tools & Platforms:** Git, Railway, Vite, Maven, Unity Engine
- **Operating Systems:** Linux, Windows

EXPERIENCE

IT Helpdesk and Support Intern July 2025 –September 2025
SP Madrid and Associates

- Assisted in troubleshooting hardware, software, and network-related issues.
- Developed and optimized QR code automation scripts, automating the generation, printing, and management of 500+ QR codes used in daily operations.

PROJECTS

Ledge-it – Banking Web Application May 2026
(Java, Spring Boot, PostgreSQL, Thymeleaf)

- Designed and developed a full-stack banking system with secure user authentication and account management features. Developed dynamic server-rendered UI pages using Thymeleaf templates.
- Implemented deposit, withdrawal, transfer, and transaction history functionalities using Spring Boot and Spring Data JPA.
- Deployed the application on Railway with a cloud-hosted PostgreSQL database.

HobbyRepo – Desktop Inventory/Management System February 2026
(Java 25, JavaFX, FXML, CSS, SQLite)

- Designed a modular desktop CRUD application using JavaFX with SQLite database integration. Implemented FXML-based UI design, dynamic data handling, and structured MVC architecture. Packaged the application into a distributable installer for deployment.
- <https://github.com/EricJohnPena/HobbyRepo>

LEXIA – Educational Vocabulary Learning Application (Thesis) June 2025
(C#, HTML, CSS, JavaScript, PHP, MySQL)

- Developed and programmed an educational mobile game for elementary students using Unity Engine and C# as programming language
- Integrated machine learning concepts using Random Forest classification for personalized learning features.
- <https://github.com/EricJohnPena/Lexia-UI>

CERTIFICATIONS

Programming (Java) NCIII – TESDA - CIICC May 2026
AWS Cloud Quest: Cloud Practitioner – Training Badge May 2026
Networking Basics — Cisco Networking Academy September 2025

EDUCATION

BS Computer Science — Cavite State University - Naic Campus April 2026
